12. (SBU) Regarding paragraph 9, point c in reftel, post requests that the TFCO be included on all relevant terrorist finance e-mail lists from Treasury and State, including DCM lists. Much of the December 2006 EUR TF e-mail traffic did not get through to post or only reached the DTFCO. Concerning public outreach, it would be useful to have advance notice of any USG policymakers' public remarks related to terrorist finance.
